National Cadet Corps

The National Cadet Corps unit of Agriculture College, Dharwad is as old as the institute itself, which celebrated its Golden Jubilee in 1997. The unit has its origin in the UOTC the precursor of National Cadet Corps, which came into existence in 1948. Over the years the achievements of NCC unit of Agriculture College, Dharwad has left an indelible mark in the Battalion. Down the years the unit has played an important role in the overall development of the cadets who occupy many exalted positions in the society. The cadets have attended trekking camps, National Integration Camps, Combined Annual Training camps and have won general championships on several occasions. Since 1986, 366 cadets have passed 'B' and 327 cadets have passed 'C' certificate exams. Six cadets have been commissioned in the Indian Army as officers since 2002. The unit continues to train and shape the future of the students apart from providing a welcome break from routine classroom work.

Placement Cell

The UAS, Dharwad has placement cell in constituent colleges is headed by a Co-ordinator since 2006-07, which organises campus interview by banks, Co-operatives, Seed industries, Food Industries, Planters, Biotech companies, Fertilizer and Pesticide concerns and NGOs and other private organizations regularly for effective placement of UAS students. The placement cell also facilities of conducting the video-conference campus interviews. Considering the quality of education important and merit and commitment of the graduates, requests from the companies are on the raise. The number of companies/ firms visiting the campus is raising every year. The placement cell has been successful in fulfilling the aspirations and needs of the graduating students every year.
